Development of Horticulture

1952. SHRI PASUMPON THA. KIRUTTINAN: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government considers that the production of fruits and vegetable and their storage infrastructure could be raised by making sufficient funds available for the development of Horticulture in the country;

(b) if so, whether any outlines in coordination with State Government have been worked out therefor; and

(c) if so, the salient features thereof?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM): (a) Yes Sir.

(b) and (c) During 8th Plan Government of India has launched two Central Sector viz. 'Integrated Development of Fruits' and 'Production and Supply of Vegetable Seeds' which are being implemented through Horticulture/Agriculture Department of various States/UTs under which assistance is being provided on various components for augmenting the production of fruits and vegetables in the country. In this regard assistance is also given to install Drip Irrigating System under the scheme 'Use of Plastics in Agriculture'. In addition, National Horticulture Board through State Government is extending assistance to
